

# Evie

## Specification

Sleek, sturdy, and versatile mobile project tables, the Evie collection is as agile as it is flexible.

Designed to provide the best solution for those that require a table, Evie can be customised as you need.

The range comes in a wide variety of sizes in two height configurations which can be mounted on locking castors or alternatively, can be stationery.

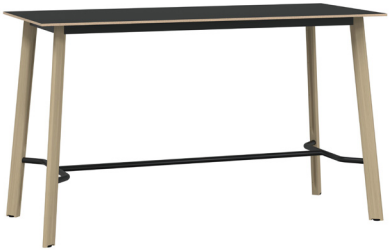

The possibilities truly are endless with Evie.

**The Evie collection comes with the following features:**

- Modular table system in a wide range of sizes.
- Wooden leg design.
- Two height versions standard and poseur.
- Options of locking castors or stationery leg.
- Tops can specified to accommodate power and data.
- Tops are available in standard MFC, linoleum or laminate.
